EXAMINER'S AMENDMENT

1. An Examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to Applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this Examiner's amendment was given in a telephone interview with Jason D. Kelly on February 10, 2009. Contrary to that which is noted under "Part II" of the Interview Summary dated February 11, 2009 summarizing the discussion of February 5, 2009, this Examiner's amendment replaces the need for a formal supplemental response to-be-filed by Applicant.

The application has been amended as follows:

In Claim 1, line 3, immediately after "comprises a metallic", "housing;" was deleted and -- housing, and wherein the plurality of interconnected modules are horizontally distributed such that a space exists between each of the plurality of interconnected modules; -- was inserted.

In Claim 1, line 5, immediately after "modules" -- such that the flexible overmold separately encapsulates each of the modules and exists with and at least partially fills the space -- was inserted.

Art Unit: 3766

As to lines 10-11 of Claim 1, the entireties of these lines have been deleted. Specifically, “wherein the interconnected modules are horizontally distributed at respective locations of the flexible overmold, and separately encapsulated by the flexible overmold,” of lines 10-11 in Claim 1 was deleted.

In Claim 30, line 3, immediately after “comprises a metallic”, “housing;” was deleted and -- housing, and wherein the plurality of interconnected modules are horizontally distributed such that a space exists between each of the plurality of interconnected modules; -- was inserted.

In Claim 30, line 5, immediately after "modules" -- such that the flexible overmold separately encapsulates each of the modules and exists with and at least partially fills the space -- was inserted.

Claims 31 and 35 are hereby cancelled by this Examiner's Amendment.

Allowable Subject Matter

2. Claims 1, 4-10, 12-22, 28-30, 33 and 34 are allowed.

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to Applicant's disclosure.
